

Hart County High School Pep Band

The HCHS Pep Band is a student led organization that plays at all Varsity Boys and Girls, **HOME** basketball games, minus any playoff games. The Pep Band has been an on and off program over the years, but after last year's success we have decided to continue the program into its second year. We hope to add a Pregame and/or Halftime Show this season. The band generally rehearses before the games about an hour before tip-off.

The Pep Band is under the direction of Band Captain Chris Crowe and Drum Major Dawson Baker. The directors are very excited about the upcoming season and cannot wait to get started.

As previously stated, the Pep Band is "STUDENT LED," which means the two directors mentioned above make most of the decisions regarding the Pep Band. Everything that the Pep Band does still has to be approved by Mr. Tolbert. Communication is key, so if you ever have any questions, comments, concerns, or complements, please do not hesitate to reach out to one of the directors. One if not all of us will be at every practice/game

The Pep Band is not as demanding as the Marching Band, but it is still a commitment. If for any reason you cannot attend a rehearsal or a game, please email a director.

Also, we will be having a meeting for students interested in the Pep Band during Bulldog Time, the day of the meeting is TBD. We will discuss more of the details involved at that time. If possible please have this piece of paper and your t-shirt money ready at the meeting.
